JULIE'S JOURNEY

Body of Christ
We are the work of the Creator
We are the body of Christ
We all have a place
We are the body of Christ
Heads for thinking
We are the body of Christ
Hands for working
We are the body of Christ
Feet for walking
We are the body of Christ
Hearts for loving
We are the body of Christ
Shoulders for carrying
We are the body of Christ
Ears for hearing
We are the body of Christ
Mouths for praising
We are the body of Christ
Eyes for watching
We are the body of Christ
We are Christ's hand in this world
We are the body of Christ
What he started we will continue
We are the body of Christ
Christ is alive in this world
We are the body of Christ
He lives in us
We are the body of Christ
Amen.

I came across this prayer as I was cleaning out my old office. This was a theme that was used for a St. Andrew's youth Back-To-School-Retreat at Camp Cho-Yeh a long time ago. Here lately, I have read it over and over and as I do, I am filled with a sense of thanksgiving. As Christians we are a part of something bigger than ourselves. We were created to be connected to God the Father, God the Son, and God the Holy Spirit as part of who we are. We were also created to be connected to a community of faith. That is who we are at St. Andrew's. In these days of uncertainty, these are some things that we should feel quite sure of!

"For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life." John 3:16

As the prayer above reads …
What he started we will continue …
We are the body of Christ!
Amen.

Julie
